

The Ercros factory in Monzón celebrated 3,000 days without accidents in the workplace.

José Mª Brualla, supervisor of the compounding plant, receives a T-shirt from Rafael Mancho, head of the factory.

R&D department staff wearing the commemorative T-shirt.

The Ercros factory in Monzón has celebrated 3,000 consecutive days without suffering any occupational accidents among its own and external personnel, making a total of more than eight years without occupational accidents at its facilities.

These good results are the result of the staff's involvement in prevention.

Rafael Mancho, head of the factory, has sent a letter to the staff thanking them for their commitment. To celebrate, commemorative T-shirts bearing the 3,000 were handed out.
