Ercros has sponsored the 9th edition of the IES Forat del Vent de Cerdanyola charity race in which more than a thousand students from different institutes in this town have participated. Each participant has contributed one kilo of food that has been allocated to the Food Bank managed by Càritas Cerdanyola.

The young runners have been able to choose between two routes: 3 or 6 kilometres. In addition, the race has had the participation of special education students. A *batucada* was in charge of animating the competition that ended with a well-deserved breakfast with chocolate.

Fernando Burgueño, director of the Ercros factory in Cerdanyola, participated in the awards ceremony for the winners of the solidarity race.
