

Ercros supports women's children's volleyball

The director and HR manager of the CIT, with the Ercros SPSP team and the president and coaching staff of the club

Ercros has renewed, for the sixth consecutive season, its sponsorship with the Sant Pere i Sant Pau of Tarragona women's children's volleyball team. The team is called “Ercros SPSP” and is made up of 10 girls between 12 and 13 years old. It’s classified in the second catalan division and is part of the Catalan Volleyball Federation.

In addition, an Ercros banner has been installed in the Sant Pere i Sant Pau Club sports centre and is displayed when the Men's Volleyball Super League 2 matches are played.

Through this agreement, the company reaffirms its commitment to supporting and promoting grassroots women's sports.
